**DANG (HARBOR) PROGRAM**

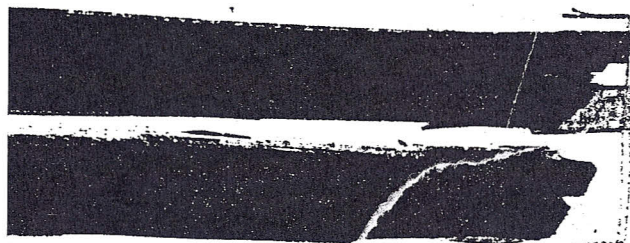

a GVN effort designed to protect the Vietnamese  
civil, paramilitary, economic and subversive  
organization in SVN through the neutral-  
ization (VCI).

intelligence program to identify the members of  
arrest them, a legal program to restrain  
them.

ized in three ways: (1) when rallying to the  
receiving a sentence by a court verdict, or  
apprehended. Neutralization results during
